Contact Legislators Today!

There are just four weeks scheduled in the Legislative Session but we need to continue to apply the pressure on lawmakers to ensure the New York Health Act does not move through committees.

The final Senate Health Committee meeting of the year does not have the NYHA on it, so Single Payer supporters are now directly targeting Senate Majority Leader Andrea Stewart Cousins. ***We are urging our members to reach out to the Senate Majority Leader and your local legislators today!***

Sen. Andrea Stewart Cousins:
